**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

One of your main goals is "Promoting competition, innovation and investment in broadband services and facilities." I believe Sonic.net also champions this goal. As residential subscribers of Sonic.net, my husband and I urge the FCC to reject USTelecom's petition. It WILL hurt competition because "without access to UNE services, Sonic wouldnt have been able to connect consumers while we build our fiber networks, nor fund the construction of our fiber networks. And once fiber networks are built, UNEs are still used they connect from city to city and are the key backhaul for all of our fiber networks.

Regards,

A Sonic subscriber since 2014
